

HOW DO I PAY FOR LUNCH?

Students pay for dining room purchases with either a meal plan account or a declining balance account. When checking out, students type in their student PIN number, and either the meal plan is selected for the day or a la carte purchases are automatically deducted from the available balance in the student's account. You can monitor your child's balance and purchases online at myschoolbucks.com. This online system can also be set up to send emails for low balances. Please either mail or send your check for meal plan purchases to St. George's. *You can add money to your child's declining balance account at any time using one of these methods:*

1. Send in a check with your child to give to the cashier in the dining room.
2. Drop off a check at the welcome desk for delivery to the Flik mailbox.
3. Pay online by credit card through the myschoolbucks.com online account. (Please note that a third party fee will be charged.)
