

St. George's Independent School, Germantown Carpool Information Sheet

NAME OF CARPOOL: _____ STUDENT NAME: _____

Please carefully read the following instructions and complete the following form. **Return the form to the front desk by August 5, 2016.**

- One carpool form must be completed for every child. Please confer with your other carpool members to ensure accuracy among you.
- Only one name for each carpool is required for carpools. Choose one family's name for the entire carpool. For example, if the Browns, Smiths, and Joneses are in one carpool, they will all fill in the carpool name section on their individual carpool forms with "Brown" (or whichever name they choose).
- Please display your carpool sign on the passenger's visor. Your carpool sign will be sent home on the first day of school.
- Cones designated with letters or numbers will be placed in the drive through area. As you enter the drive through, the teacher on duty will call the carpool name and the designated cone by which the driver should park.
- In carpools with multiple grade levels, it is recommended that these students get dropped off and picked up at the location assigned to the youngest grade in the carpool.
