

# Frequently Asked Questions

**Q: Can my child attend summer camp at St. George's if he or she is not a St. George's student?**

A: Yes! We offer a wide variety of summer camps that are open to students from all area schools. There are a few academic Jumpstart camps in Week 8 that are closed to the general public. They are designed to help prepare St. George's students for the specific grade they will enter in the fall.

**Q: How will I know if I am registered for camp?**

A: Once you have completed the online registration process, an email confirmation will be sent to the email address you provided.

**Q: Can my child attend Camp Gryphon for one day or must he or she be enrolled for the entire week?**

A: The daily drop-in rate for Camp Gryphon is \$50 per day. No pre-registration is required. Your child does not have to be enrolled for the entire week.

**Q: Can I enroll my child in specialty camps for one day or must he or she be enrolled for the entire week?**

A: St. George's specialty camps are priced for the full week because concepts build upon one another each day. Please check camp listings for pricing information.

**Q: Can my child attend a half-day of Camp Gryphon before or after his or her specialty camp?**

A: Yes! Morning and afternoon camps are specifically designed to be mixed and matched for full-day coverage. For example, if your child attends a morning specialty camp, he or she may complete the day with an afternoon at Camp Gryphon (and vice versa). The cost for a half-day at Camp Gryphon is \$100 per week.

**Q: How do I register for summer camp at St. George's?**

A: We are pleased to offer families the convenience of our new online registration. Visit [www.sgis.org/summercamp](http://www.sgis.org/summercamp) to register. Payment is due at time of registration. Credit card and electronic payments are accepted. Camps will be filled on a first come, first served basis.

**Q: Do we receive a refund if we paid for a camp we can no longer attend?**

A: There is a \$25 administrative fee incurred for any camp or camper change. A full refund will be issued if withdrawal is requested by May 26, 2017. A 75% refund will be issued if a written request for withdrawal is received at least 14 days prior to camp start date. You must submit a withdrawal request to [summer@sgis.org](mailto:summer@sgis.org) or mail to Ben Todd, St. George's Independent School, 1880 Wolf River Boulevard, Collierville, TN 38017. Camp fees may not be pro-rated.

**Q: What happens if St. George's cancels a camp for which we registered?**

A: If a camp is canceled for any reason, we will contact you via email and offer you the option of transferring to another camp or receiving a full refund.

**Q: Are you able to administer medications to my child while he or she is at camp?**

A: If your child requires medication, you and your child's physician must complete a separate form. No medications may be given without having this form on file. Contact Ben Todd at [summer@sgis.org](mailto:summer@sgis.org) or 457-2049 to obtain the required medical form.
