ST. GEORGE'S
INDEPENDENT SCHOOL

**GENERAL
SCHOLARSHIP**

Andrew, a senior, is a top scholar who maintains outstanding grades while participating in many extracurricular activities. He holds a 4.68 weighted grade point average and scored 33 on the ACT. He has taken a demanding course load including five honors and nine Advanced Placement classes. He has been named an AP Scholar with Distinction for his top scores on AP exams.

Currently Andrew serves as prefect for academic life and is a member of the Honor Council. Prefect is the most honored leadership position at the school and is selected by the faculty and staff. He also has been selected for the Peer Leadership Council and as captain of the track, swimming and cross country teams.

Andrew's commitment to academic excellence earned him membership in the Cum Laude Society, National Honor Society, National Spanish Honor Society,

and Mu Alpha Theta, the math honor society. He also received the Rhodes College Book Award and Washington and Lee Book Award. He was the school's Tennessee Boys State delegate.

With a desire to pursue a career in medicine, Andrew consistently seeks out opportunities to increase his knowledge in that field. After attending a mission trip to Mexico, he asked to take his exams early so he could serve as the primary Spanish translator for a medical mission trip to Peru. To prepare, he studied a Spanish copy of Gray's Anatomy learning medical terms in English and Spanish.

In addition, Andrew is president of the West Tennessee Cystic Fibrosis Foundation Youth Board. He is a project associate and translator for Latino Memphis and an active member of the youth group at Independent Presbyterian Church.
